RI - VEDIAMOCI

una realizzazione L-PASSION-FORUM - 2015©

RI-VEDIAMOCI è la nuova realizzazione di L-PASSION-FORUM 2015©. Segue quella dell'ANNUARIO FOTOGRAFICO e contiene immagini che raccontano gli anni dal 2007 al 2015.

Penso non siano molte le comunità "virtuali" che possono vantare una serie così ampia e costante di occasioni di incontro "fisico", simpaticamente coinvolgendo, nel tempo, anche compagne/i di vita ed amici non fotografi.

Vedersi, parlare, le cene, il ridere assieme delle nostre manie - che chiamiamo passione - è sicuramente un valore aggiunto. Oltre l'incontro "istituzionale" - il LEICAPASSIONDAY - nel corso degli anni ce ne sono stati altri, nati quasi spontaneamente, prendendo a pretesto, a volte, la possibiltà di visitare una mostra di fotografia. Un posto particolare nei ricordi lo occupa il LEICAFACTORYTOUR del gennaio 2011.

Fra persone che non si conoscevano, che avevano come unico legame la passione per il marchio Leica e, più in generale, l'interesse per la fotografia, sono nati legami di amicizia che, oggi, appaiono consolidati.

Questo volume non è altro che un "album di famiglia" per vedersi e ri-vedersi, ricordare gli amici che non sono più fra noi, incontrarsi ancora in queste pagine, aspettando la prossima occasione.

Concludo questa premessa citando quanti - oltre il sottoscrito - hanno messo a dsposizione le loro fotografie:
Andrea Podestà, Carlo Nicolucci, Ferruccio Lobba, Giulio Segantin, Marco Pampaloni, Massimo Fantoni, Michele Azzali, Ottavio Colosio, Riccardo Masi, Sergio Sartori, Stefano Rossin.
